in doggy fashion, he placed his cock on my pussy lips and rammed his seven and a half inches right up me.

I yelled with pleasure as my pussy was well stretched! Holding my hips, John pounded my hole repeatedly like he had five minutes to live!

Laying me on my back, John placed my legs over his shoulders then pounded me again.

Sucking my nipples, John would pull out his cock and tease my clitoris with it. It felt great having a big cock again, and if only for a short while it would be a nice memory along with the photos taken – something I could treasure.

John's penis was very veiny and thick, and it was great to see it glistening with my juices.

John was about to shoot his load by the way he was moaning and I wondered if he would cum the way he always used to.

I wasn't wrong – standing up he lifted me up, my legs entwined round him and impaled me on his cock.

Walking around the room with me on his cock, John leant me up against a wall and pumped me once again. I orgasmed

heavily and John beamed with delight. With one big thrust and the words, "Don't forget this," he filled me up with his hot seed.

Pulling it out, the sperm dribbled down my legs over my stocking tops.

John took a photo of this as a memory to keep and said, "You were a great fuck – one I will never forget." I smiled and said I would never forget it either.

A former boyfriend from years ago recently wrote to me. He had seen my pictures in Escort but didn't recognise me at first.

My husband Mark has a small cock, and as much as I love him, I do miss a big length up me. John, as I remember, had a seven and a half inch cock and a large foreskin, which I miss. On writing to him and a few telephone calls, it was

not his cock. Taking his trousers and pants off, a lovely big penis swung free. Undoing my bra, my breasts were exposed to him and his cock was soon erect!

John stood in front of me and told me to wank his cock while Mark took pics. It felt great in my hand and his large foreskin was soon pulled back to show a lovely purple helmet.

I was soon licking it while John squeezed my tits. He loved doing this and said he

remembered me being big, but now they were even better. He sucked them hard and at the same time fingered my wet pussy. Slowly sucking John's cock, he started moaning with pleasure. It did taste great sucking up and down his shaft and a foreskin which I hadn't had for many years felt

good too.

John soon had his hands on the back of my head and he began to fuck my mouth.

I couldn't take his full length (I never could), but it was lovely to suck again and between hard thrusts he would pull out and make me lick around his helmet.

I was sopping wet by now and John knew this. Placing

arranged that we meet up at a hotel. By now, John knew who I was and couldn't wait to get his hands on me.

Mark was OK with this as long as he could photograph the action. On meeting at the hotel all went well. Once in the room the action started. I hadn't seen John for 20 years. Certain things had changed about him, but

Needless to say, we shot these piccies of luscious Lana before all this social distancing started (you wanna try being in the same room as a girl who's come over all horny and stay 2 metres away some time – it can't be done!), but we're sure glad we managed it because she just the sort of thing to help when spirits start to flag as the lockdown grinds on and on! Let's face it, there's only so much fun you can have on your own at home, and having a load of pictures of someone this saucy is definitely going to make that much easier!

EXTREME PLEASURES!

Harmony's flicks have often been pretty extreme, but they've pulled out all the stops this time, starting with a double dicking for Jasmine Jae in the opener - we've seen loads of DPs from Harmony before, but this one's definitely full on, with the splasher's arse getting a real work-out before she takes a couple of loads to the mush. Kiki Minaj ramps things up, with not just two cocks but also a fist being employed to get her squirting all over the place. Misha Cross and Tina Kay enjoy some anal fun with a shared cock, before there's more fisty fun between Tina and Brittany Bardot. Finally Amber Jayne's backdoor balling (an on-screen first for the British strumpet) winds things up nicely. Available from your local sex shop.

WHELP THE AGED

Just when it's time to hang up their boots, a few old codgers suddenly decide instead to turn their hands to being porno studs, and who could blame them, given the randy young splashers they get to bury their gnarly

old knobs into in films like these?! We start off with a greybeard having a bit of a tug while watching some smut on his phone, when he's suddenly joined by a blonde, who wriggles out of her clothes and starts sucking his prick. A 69 follows before the jammy old goat slips her a length for a multiple-positioned porking. The bald fellow sorting out his loft in scene two is soon joined by an extremely pretty brunette, and makes the most of the swing he's got hanging up there as he laps away at and then slams into her shaven snizz. A toothless old French geezer gets in on the action next, with a slip of a ginger lass, and there are still a couple of bunk-ups to come. It takes all sorts! Available from your local sex shop.

I've been buying Escort for 20-odd years – me and the missus love looking through it together and hearing about all your readers' filthy adventures – but I haven't been able to find you latest issue in any of my local shops. What's going on?!

Alan, Dorking.

Alan. Yes, it's

LATEST MAGAZINES

DEAR JULIA

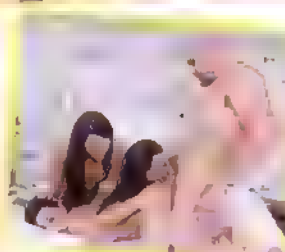

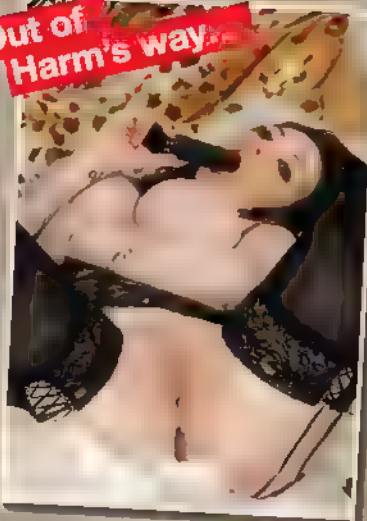

I've been stuck at home on my Jack Jones for the last month now, and although it's been a real drag being cooped up with all the fine weather, it has at least given me a chance to revisit my stash of Escort back issues and get my money's worth out of them all over again. In

total I've got about 6 years' worth of copies, and it's been great to have a tug over some of the sets that really floated my boat when they first came out. One girl who never fails to hit the spot is Harmony, who appeared in 35.02 among other issues, but who hasn't cropped up for a while now – I'd love to see her make a reappearance in the magazine when you get the chance to start shooting again.

Kev, Ludlow.

Julia says: Harmony Reigns always does it for me as well – let's see what we can do!

Out of Harm's way...

The original Scam Angels saw a selection extremely eye-pleasing strumpets literally screwing their marks out of loads of dosh, and part two doesn't really mess with that formula, as the likes of Karlee Grey and Gina Valentina hustle a few chumps out of their lolly using only their pussies and mouths. Three scenes in total see two or three stunners draining their studs' balls in fine style, and if the plot's a bit daft, who cares, 'cos the sex scenes are bang on! Available from your local sex shop.

OK, so everyone's going a bit stir-crazy during this prolonged period of lockdown, so while there are plenty of fancy-

shmancy sex toys knocking about out there, we thought we'd get back to basics with a budget price stroker that'll help while away the lonely hours of self-isolation. The ribbed and nubbed vaginal canal provides a welcome change to madam palm, while the tight anal opening will get the job done in no time at all. And best of all, they'll deliver it right to your front door!

REAL WIFE SEX

Sally has her first two infidelities in one go

*"I felt the other
lad pull down
my knicker,
his hand easing
between my legs
to feel my slit."*

I've been married for 12 years now and during all that time I've never been unfaithful, and neither has my husband, but all that changed at my work's Christmas party, which was held at the office building.

Everyone was having a great time, the booze was flowing and people were getting more and more drunk, as is usual at these things. For most of the night I felt pleasantly tipsy and completely in control, but in hindsight I think I may have been drunker than I realised – despite remembering everything that happened the next morning!

Early on in the evening – and before I got too drunk – I was chatting with two of the young sales guys I knew, who I admit are both in their twenties and pretty gorgeous! We were getting on great, having a laugh and sharing work stories. It never occurred to me that they would go after a middle-aged woman like me, but as the night wore on their jokes became more and more suggestive and I found myself responding in kind, flirting outrageously with them. What was the harm in a bit of flirting, after all? The guys obviously saw my behaviour as a green light and they both became even more touchy-feely with me and made it blatantly obvious that they wanted me.

Although married

and not taking it too seriously, I was surprised to find myself getting a moist gusset! I got so turned on by their sexy talk of how much they'd both like an older woman to teach their young cocks how to behave, I had to nip to the ladies and bring myself off! Now I knew I was drunk, as even entertaining the thought was uncharacteristic behaviour, but I ignored that giggling feeling and locked myself in a cubicle to pleasure myself fully. Despite fingering my clit to climax, my fanny was still achingly hungry afterwards and now I felt deliciously naughty, too.

Once I had returned to the bar and continued talking to the lads I found that I couldn't keep quiet about what I'd done, and I blurted out that I'd just frigged myself off in the bog! They laughed and teased me flirtatiously and the next thing I knew, I was feeling their hard-ons through their trousers. This was further than I'd been with any man other than my husband, since before our wedding!

The guys suggested that we sneak away from the rest of the party, as they didn't want to get me into trouble. I was so drunk, it didn't even cross my mind to say no – my pussy needed to be filled with prime young cock and there were two on offer, eager to please me!

It was easy to leave, as almost everyone was too pissed to know what was going on. The guys led me to a different floor, where they had a key to a stock cupboard. I say cupboard – it's a big walk in store, bigger than my front room at home. Once inside, the lads wasted no time, kissing and groping me, pawing at my breasts through my flimsy dress material until one of them found the zip and undid it, causing the garment to fall to the ground. I stepped out of it without hesitation – it was such a thrill to be standing semi-naked in front of two lads whose cocks were hungry for me! I told the lads it was time for me to see their dicks, so they both dropped their trousers and pants, their cocks springing to attention as they were released. Neither guy was particu-

arly huge, but I'd never had two to choose from before. Then I realised I didn't have to choose – I was going to have both!

While kissing the nape of my neck, I felt one of the lads unsnap my bra and pull the straps down. With my tits free, I bent down and clamped them around his cock, making him gasp. I wanked his hard dick between my boobs for a few strokes and, as I did, I felt the other lad pull down my knickers, his hand easing between my legs to feel my wet slit! He slipped a finger into my hungry hole and I moaned that it felt fantastic and not to stop just yet.

I was aware that I was about to be unfaithful to my husband for the first time – and with two young guys to boot – but I didn't care! All I wanted at that moment was to get my hole drilled by these studs!

I got down on all fours and motioned to the lad I'd been tit wanking to kneel down too. His stiff dick loomed in front of my face and I slurped it into my mouth. A few seconds later, I felt the second lad's cock line up at the entrance to my pussy, and then slowly push his way in. Gradually, he built up his speed until he was ramming it home, and I

couldn't help but let out a scream as I was spit roasted hard.

I bobbed my head up and down on the cock in my mouth – I couldn't really help it as I was being pushed forward, then pulled back ferociously because of the fucking I was getting from behind. That lad's thighs were slapping against my arse as he drove his cock in me, deeper and harder than I'd been screwed for years. I was already coming before he reached for my clit with his fingers, so when he began to rub away, it sent me completely wild!

As another orgasm washed over me I chocked on the cock in my mouth a little and that obviously turned them both on as they both pumped away at my holes even harder. That was the biggest orgasm I'd ever had and it was made all the better by receiving a face-full of salty spunk at the same time. His mate wasn't too far behind and I heard him grunt as he shot his load deep inside my pussy.

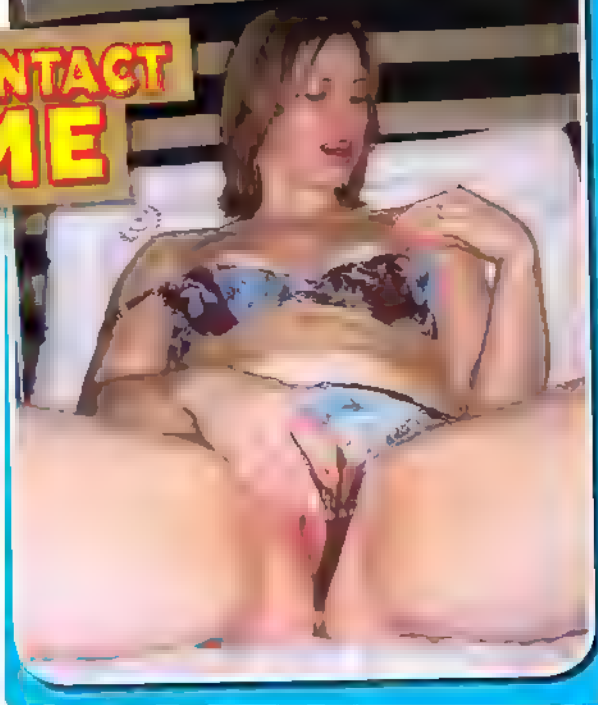

My husband has no idea what I've done, or that I'm writing this letter to you and I hope he never finds out. I know I should feel guilty, but instead the experience has awakened a whole new side of my sexuality and I admit I've had a couple of no-strings flings since then. **G**

Play Fisty For Me

I love writing down filthy fantasies and sending them to others via some swingers' websites.

One woman who replied to me was Sandra. We spent several months swapping stories and very pornographic pictures of ourselves.

We waited for her in the bar and she arrived on time, looking every inch the mature, sexy woman I wanted to fuck - large, voluptuous breasts in a tight white blouse and a really smart but sexily short skirt topping her shapely legs.

We were lucky enough to be seated at a corner table. I moved my seat closer to Sandra's and placed my hand

on her knee, slipping it up her skirt.

I ripped a hole in the crotch of her tights and she started to protest, but as I slipped my fingers into her sloppy, hairy, wet gash she melted and her protests turned to low moans.

Sandra wanted to go to the toilet but, being huge watersports fans, hubby and I wouldn't let her.

My husband drained his wine glass and placed it between her thighs.

I heard her piss a little, looking down to make sure she didn't overfill it, then hubby necked the entire glass. Desperate to fuck, we left our table and hurried to our room. Falling through the door, I laid on my back on the floor, pulling Sandra on top of me,

pushing my tongue deep into her mouth. Hubby, already naked, hitched up her skirt and easily slipped his cock deep in her wet pussy.

She pulled back from me to catch her breath and a thread of spit dripped from the corner of her mouth, which I eagerly lapped up.

I pulled open her blouse, releasing her breasts. They were large, with dark, cherry red nipples.

I grabbed one and stuffed the nipple into my mouth, sucking hard.

Sandra soon began to

climax, biting her lip and stifling a loud moan as if she were to be ashamed. I gripped her face with my hand, forcing her mouth open, ordering her to cum as loud as she could and piss off the other guests.

She took a deep breath as hubby's balls slapped against her clit and she shouted a trade of filth at me as she came, collapsing on me and pushing her tongue into my mouth.

Hubby pulled out and

smeared Sandra's juices all over both our faces.

Sandra's juice tasted so good I had to get my tongue between her pussy lips. I licked her juicy labia as hubby fucked her face above me and she slipped a finger up his anus.

Sandra led my husband to the bed and sat on his cock, taking him up her anus, then she asked me to fist her.

I began to push my fingers into her pussy, sipping them in and out, getting deeper with every stroke.

Sandra begged me to fist her and I obliged, sinking my fist up her hairy, sopping cunt.

I frigged myself as I fist fucked her hard, pinching my clit and sucking on her pendulous breasts.

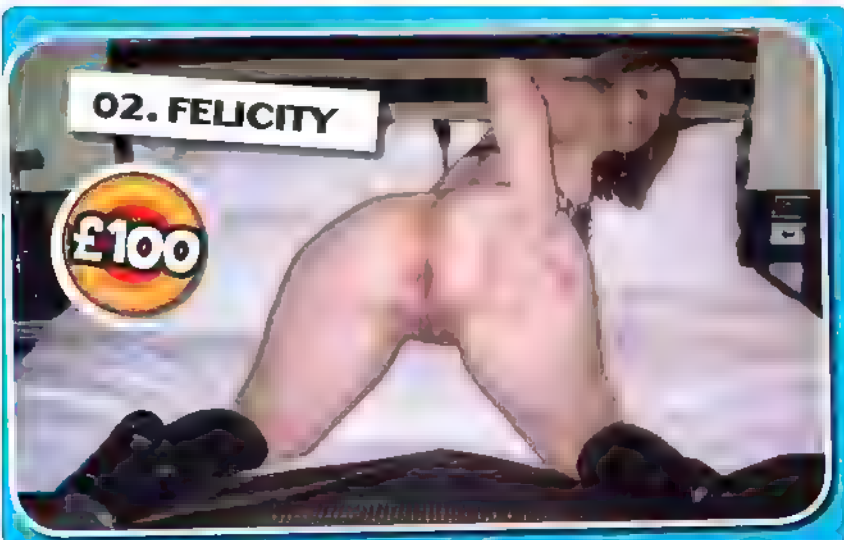

We both came, Sandra's pussy muscles clenching tight around my hand. Then hubby was ready to give us his salty load.

I bent forward to lick his dirty prick then told Sandra to give him a tit-wank.

He fucked her titties and I watched from over her shoulder, watching his cock disappear between her large breasts.

His cum soaked us both, covering our faces and we licked each other clean, sucking the spunk from each other's mouths before I made Sandra swallow it all.

Felicity, North Yorks.

We've had a bowl of curds and whey in the fridge for weeks, and we couldn't think what to do with it until it occurred to us that maybe we could get ever-horny Ella Hughes round for a Little Miss Muffett-themed photoshoot! Obvious, really, when you think about it!

Sadly she didn't really fancy the look of the past-its-prime dairy products we'd earmarked for her, but it wasn't a total waste of an afternoon, as you can see – and Ella's own muff-ett proved to be a lot more mouthwatering than the curds and whey!

Given how gloomy the news has been of late, we thought we'd make an extra effort to put a bit of lead in all our readers' pencils, and with that in mind, it was a bit of a non-brainer to get a set of Teleela together for this issue! She really is sex on legs, and is sure to give the nation's flagging spirits just the sort of lift that's required!

"Well that would be nice, wouldn't it?" she grins. "As far as I'm concerned, I'm always happy to have an audience when I give my juicy pussy a good workout, but if that'll benefit the nation as a whole at the same time, then so much the better!"

What chance has a virus got against that sort of dedication, eh?

A nice soak in the tub with flighty French fancy Anissa Kate seems like as good a way as any to while away a couple of hours in the afternoon, although it turns out a relaxing soak might be the last thing you'll end up getting...

"Showers are for getting clean, and baths are for getting dirty!" she explains with her sexy Gallic accent. "If I don't come at least twice in a bath then I've done something wrong – or the person I'm with has!"

Oh, so what's the best way to get you coming, then?

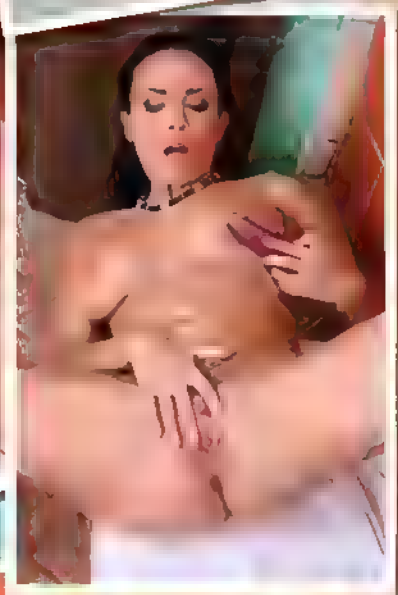

"What gets me every time is a cock stretching my arse while I rub my clit – I can never last long like that!"

And nor could the lucky bloke, we reckon!

Anissa

Maid To Pleasure

I know from watching porn that men REALLY go for women in French Maid's outfits, so as a special treat for my husband I thought I'd find one to wear for him for an evening of sexy fun. I looked online but to be honest, they didn't really do it for me, not quite authentic enough or a bit tacky and not sexy so I ended up phoning a proper costume hire

shop who said they had a few different types in stock. It was only slightly more expensive to hire a proper one than buy a cheap and cheerful one so I packed some potential underwear and stockings and drove to the shop.

It was a real treasure trove of outfits, and the guy who was at the counter was really helpful and quickly showed me to the French Maid's outfits and suggested that I could try some on in the changing room if I wanted.

I took a few different styles into the cubicle and undressed fully before slipping into my stockings – well I did want to see the full effect! The first outfit was a little too dull, this was for sex after all, but the second was just what I wanted, frills in all the right places and nice and short so that my stocking tops were on view all the time. I put on some heels to complete the outfit and admired myself in the mirror. Yes, this would do nicely.

Just then I heard a moan from the next cubicle. I thought I was the only customer in the shop, I hadn't heard anyone else come in and when I went into the cubicle the adjoining one was empty. I quickly pulled the curtain aside and dived into the next cubicle. There, with his eye pressed to a spy hole and his trousers around his ankles, was the shopkeeper.

I think he was too shocked to move, all he could do was try to cover up the monster erection he had been wanking while he watched me change.

I looked at him for a few seconds then an idea came to me. I wanted to see how much this outfit would turn a man on, and now I had a captive one to try it out on. "Do carry on" I said grinning, and went back into my own cubicle, drawing the curtain.

Now knowing that he was watching me, I put on a show, lifting my skirt so he could see my stocking tops and panties, bending over and wriggling, pulling down the top to show my large 34e breasts and pinching my nipples to make them hard. Soon I could hear a slap-slap-slap noise from the next cubicle and I knew

he was wanking hard, so I pushed it up a notch. I lifted my skirt and pushed my hand slowly into the top of my panties and started to play with my clit and soon my panties were down my thighs and I was wanking too – it was such a thrill for me to know I was being secretly watched that I can pretty hard and fast, and by the sounds next door, he did too, as he let out a loud moan and the sounds stopped followed by the sound of a zipper being done up and the curtain being pulled back.

I quickly got changed back into my normal clothes and took the costume back up to the counter to the now rather red-faced assistant. "I trust there will be no charge to hire this?" I asked.

"No charge, and come back anytime" he replied.

Emma. Swindon.
